ABOUT THIS PRODUCT

The Corby Ironing Centre Holder is a space-saving, durable solution designed specifically for hotel guest rooms. Available in 1200W and 1600W & 2000W versions, it's compatible with all Corby irons. Designed to pair perfectly with the Corby Oxford, Berkshire and Sutton ironing boards, this versatile holder allows for over 20 ironing centre combinations. Its heat-resistant resting plate ensures full soleplate protection, promoting safety and preventing surface damage. Quick to install and built for long-term use, the Corby Ironing Centre Holder offers a smart, reliable ironing solution that enhances guest convenience and room presentation.
